Our Goal is Your Health

**Hand Hygiene**  
A Simple moment with a Big Impact

# A Culture is Built

**Culture is not imposed...  
It is built through daily practice**

**Make hand hygiene a habit and a workplace culture**

**May 5 | World Hand Hygiene Day**

Our Goal is Your Health

**Hand Hygiene**

A Simple moment with a Big Impact

**Before shaking hands**

**Before eating**

**Before touching your face**

**Cleanliness at every moment... Safety in every touch**  
**Protect yourself... and be a reason to protect others**

**May 5 | World Hand Hygiene Day**

Our Goal is Your Health

**Hand Hygiene**

A Simple moment with a Big Impact

# **Leadership starts with example**

**A true leader does not only ask for  
compliance,  
but demonstrates it through actions**

**Be a role model in hand hygiene**

**May 5 | World Hand Hygiene Day**

Our Goal is Your Health

**Hand Hygiene**

A Simple moment with a Big Impact

**Before touching a patient**

**You are not only providing care  
you are giving trust and safety**

**Clean hands = Safe care**
